

"Wellbeing is a state in which every individual realises his or her potential, can cope with the normal stresses of life, can work productively and fruitfully and is able to make a contribution to his or her community"

– World Health Organisation, 2014

Inclusive Education Policy

Inclusion is embedded in all aspects of school life and is supported by culture, policies and everyday practices.

Australian Student Wellbeing Frame Work

The QAHS Wellbeing Mission statement is underpinned and informed by the Queensland DET and Australian Government policies and frameworks for staff, students and community as visually represented in this document.

QAHS Wellbeing Mission Statement

We declare our commitment to the Health and Wellbeing of our Community. All QA community members recognise their strengths to develop positive relationships, resilience and optimistic disposition so that through life challenges they will have the strategies to bounce forward and live the IB Learner Profile.
