

Purpose

To be the world-class learning environment of choice for high-achieving, like-minded senior school students.
We enable transformative opportunities for students in an excellent global education.

Vision

We are dedicated to empowering Queensland's brightest students in a collaborative, high expectation and supportive educational environment to realise their potential through a world class curriculum, with outstanding educators and excellent facilities.

Critical success factors

- Cohesive, accessible leadership team
- High expectations of students and staff
- Positive relationships – students, staff, parents, community
- Professional, energetic, committed staff
- Excellence in teaching and learning

Values

- **Excellence:** We embrace innovation in education. We pursue personal and academic excellence. We operate in a collaborative learning environment. We cater for the needs of gifted learners and are leaders in differentiation
- **Global Citizenship:** We foster partnerships with local and global institutions of excellence. We promote opportunities to develop international mindedness. We share real world learning and culture through connecting with local and global communities
- **Wellbeing:** We are inclusive and value viewpoint diversity. We engage a strengths-based approach to value the individual. Our school community embraces mentoring. We empower stakeholders in decision making through an open-door, transparent approach
- **IB Learner Characteristics:** Our pedagogy develops the characteristics of the IB Learner Profile. We provide opportunities to acquire real-world employability skills. We embed purposeful technological pedagogy in our learning practices
- **People and Planet:** We value our Alumni connections. We cultivate a community where members know each other in a culture of trust. We foster and environment that promotes shared humanity and positive stewardship of the planet
