

Investing for Success

Snapshot report

Under the agreement for 2016

Queensland Academy for Health Sciences received

\$85,995

We set ambitious aspirational goals which we have made excellent progress towards achieving during 2016. Our full 2016 agreement can be found here:

Our school strategies are on track to meet or exceed our targets

During 2016, we have focused on maximising the benefits of this funding for our students. After reviewing our *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Regularly monitor and respond to student performance data
- Provide extra support for Year 11 and 12 underachievers in Mathematics
- Provide extra support for Year 10 students with Mathematics learning gaps
- Provide a range of extra support programs and activities that are focused on improved student outcomes and parent engagement

Outcomes in relation to specific targets as at December 1 2016:

- Target: Increase Year 12 IB Mathematics percentage of results for IB 4 or greater from 89.6% in 2015 to 95% in 2016
Outcome: 94.2% achieved an IB 4 or greater in 2016
- Target: Increase Year 11 IB Mathematics percentage of results for IB 4 or greater from 88% in 2015 to 95% in 2016
Outcome: 94.5% achieved an IB 4 or greater in 2016
- Target: All Year 10 students achieve a C or better in pre-IB mathematics in 2016 (89.5% in 2015)
Outcome: 94.5% achieved an IB 4 or greater in 2016
- Increase the percentage of Year 12 students awarded an IBD, QCE, VET qualification to 100% in 2016
Outcome: 100% achieved an IBD, QCE or VET qualification
