Our school strategies are on track to meet or exceed our targets

During 2018, we have focused on maximising the benefits of this funding for our students. After reviewing our *Investing for Success* agreement, we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Regularly monitor and respond to student performance data
- Provide extra support for Year 11 and 12 underachievers in Mathematics
- Provide extra support for Year 10 students with Mathematics learning gaps
- Provide a range of extra support programs and activities that are focused on improved student outcomes and parent engagement

Student performance outcomes at December 6 2018:

- Year 12 IB Mathematics percentage of results for IB 4 or greater
89.5% achieved an IB 4 or greater in 2018
- Increase Year 11 IB Mathematics percentage of results for IB 4 or greater
95.1% achieved an IB 4 or greater in 2018
- All Year 10 students achieve a C or better in pre-IB mathematics
